

## **Technical workshop Beached Bird Surveys**

As a follow-up of the NZG/NSO workshop in Rijswijk on Beached Bird Surveys and Policy, held on 19 April 1991, yet another workshop is planned to be held in connection with the Seabird Group Conference in Glasgow. This will be a technical workshop in which methods and goals of Beached Bird Surveys, as well as possibilities for further cooperation and exchange of data in Europe, will be discussed with experts from all over Europe. All International Beached Bird Survey coordinators will be invited. Costs for participation will be approx. £ 45,= additional to the conference fee. Further information will follow in *Sula* 5(4), or can be obtained from Kees Camphuysen, Perim 127, 1503 GB Zaandam, the Netherlands (telephone 075-313660).
