ZEEVOGELLITERatuur IN 1986.

Hieronder volgt een overzicht van voornamelijk in 1986 verschenen literatuur over zeevogels. Eerder, in Sula 1(1), verscheen een overzicht van de literatuur in 1985. De doorzochte tijdschriften zijn alle ter inzage aanwezig in de bibliotheek van de NOU. De bibliotheek is geopend van dinsdag tot en met vrijdag, van 09.30-12.00 uur en van 13.30-16.00 uur. Het adres is Plantage Kerklaan 36 (naast hoofdingang Artis), telefoon 020-5222441. Aangeraden wordt om voorafgaande aan een bezoek even te bellen om niet nodeloos voor een dichte deur te komen te staan.

Alle van belang lijkende artikelen over zee- en kustvogels zijn in dit overzicht opgenomen. Korte artikelen zijn daarentegen in de meeste gevallen weggelaten, tenzij de inhoud dringend aanleiding gaf voor opname. Bij deze wil ik de bibliothecaris, de heer J. Paul, hartelijk bedanken voor zijn hulp bij het opzoeken van de tijdschriften.
