

## Errata

VERMEIJ, G.J. & SNYDER, M.A., 2018. Proposed genus-level classification of large species of Fusininae (Gastropoda, Fasciolaridae). – *Basteria* 82 (4-6): 57-82.

---

Unfortunately, Figs 19-20 on page 72 lack figure 20. This figure is here presented.

In addition, on the cover of *Basteria* a picture is presented of several Fusininae species. It is labelled as “Type specimens of Fusininae”. This should be “Type species of Fusininae”.

**Fig. 20.** *Fusus porrectus* Solander in Brander, 1766, type species of *Eofusus* Vermeij & Snyder, 2018, Barton Clay Formation (‘Middle Barton Beds’), Bartonian, Middle Eocene, 78.3 mm (NHMUK PI TG 26971).
