

6th Cell Wall Meeting

Nijmegen, The Netherlands, 24–28 August 1992

TOPICS INCLUDE:

Biochemistry of wall polysaccharides

Ultrastructure of the wall

Biosynthesis of the wall

Fungal walls

Elicitors

Lignin

Wall degradation

Wall glycoproteins

SPECIAL WORKSHOPS:

Exocytosis

Molecular biology of wall proteins

Physiological effects of wall components

ORGANIZING COMMITTEE:

M. M. A. Sassen

J. W. M. Derksen

A. M. C. Emons

A. M. C. Wolters-Arts

ORGANIZING SECRETARIAT:

Professor M. M. A. Sassen

Department of Experimental Botany

Catholic University Nijmegen

6525 ED Nijmegen

The Netherlands

Tel: 31 80 652761; Fax: 31 80 553450
