

**SECOND MEDITERRANEAN SEABIRD SYMPOSIUM; STATUS AND CONSERVATION OF SEABIRDS:  
ECOGEOGRAPHY AND MEDITERRANEAN ACTION PLAN, 21 - 26 March 1989, Palma de  
Mallorca**

This symposium is organized by the Mediterranean Marine Bird Association  
MEDMARAVIS under the auspices of:

- the Secretary-General of the COUNCIL OF EUROPE
- Instituto Español de Oceanografía
- I.C.B.P. Seabird Group
- Grup Balear d'Ornitologia (GOB)

Conference languages will be English and Spanish.

The symposium contains four different sessions:

- \* Status and distribution of breeding populations
- \* Post-nuptial distribution
- \* Recent ecological research
- \* Habitat conservation and Mediterranean Action Plan

Other activities include two boat excursions, poster sessions, specialized  
workshops and audio-visual presentations.

For further information please contact MEDMARAVIS, 20 rue Saint Martin,  
75004 PARIS, France.
