

NIEUW BESCHREVEN CONTINENTALE MOLLUSKENSOORTEN (NEW TAXA: CONTINENTAL MOLLUSCS)

R.A. Bank

Newly described species, rubricated at the family levels, with references to the malacological papers in which they were introduced.

BRADYBAENIDAE

- * *Bradybaena* (*Bradybaena*) *kangdingensis*, B. (B.) *dangchangensis*, B. (B.) *wudunensis*, B. (B.) *jainshanensis*, *Cathaica* (*Cathaica*) *bizonalis*, C. (C.) *micangshanensis*, C. (C.) *wanguanensis*, C. (*Campylocathaica*) *chumbanensis*, *Laeocathaica* *dangchangensis*, L. *carinalis* and *Metodontia* *wenxianensis*. Described by D. CHEN & G. ZHANG (2004, *Fauna Sinica, Invertebrata* vol. 37: xii + 467 pp., 8 plates) from China.

Pseudoaspasita binodata - D. CHEN & G. ZHANG, 2004, *Fauna Sinica, Invertebrata* vol. 3: fig. 408.

ENIDAE

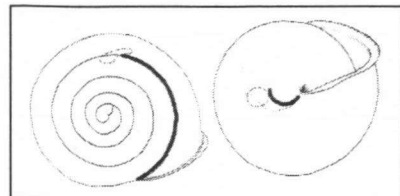

- * *Ljudmilena bayburti*. Described by H. SCHÜTT (2004, *Malakologische Abhandlungen*, 22: 125-130) from the Vilayets Bayburt and Gümüşhane (Turkey).

GASTRODONTIDAE

- * *Pilsbryna nodopalma* and *Pilsbryna quadrilamellata*. Described by J. SLAPCINSKY & B. COLES (2004, *The Nautilus*, 118 (2): 55-70) from North Carolina/Tennessee (USA).

HELICINIDAE

- * *Helicina* (*Tristramia*) *echandiensis*, H. (T.) *punctisulcata cuericiensis*, H. (*Gemma*) *beatrice riopejensis*, H. (G.) *monteverdensis* and H. (*Gemma*) *escondida*. Described by I. RICHLING (2004, *Malacologia*, 45 (2): 195-440) from Costa Rica.

Helicina beatrice riopejensis - I. RICHLING, 2004, *Malacologia*, 45: fig. 133.

- * *Microalcadia*. New subgenus from *Helicina* described by I. RICHLING (2004, *Malacologia*, 45 (2): 195-440); the type species is *Helicina hojarasca* RICHLING, 2001.

HYGROMIIDAE

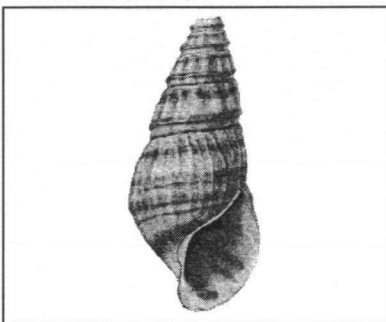

- * *Schileykiella bodoni*. Described by S. CIANFANELLI, G. MANGANELLI & F. GIUSTI (2004, *Journal of Conchology*, 38 (3): 209-230) from Marettimo Island (Aegadian Islands, Italy).
- * *Harmozica occidentalis*. Described by B. HAUSDORF (2004, *Journal of Conchology*, 38 (3): 283-289) from the northern slope of the eastern Pontus mountains (vilayets Trabzon and Rize, Turkey).

NERITILIIDAE

- * *Neritilia bisinuata*. Described by P. LOZOUET (2004, *Zoological Journal of the Linnean Society*, 140 (4): 447-467) from the Middle-Eocene (Lutetian) of Saffré (Loire-Atlantique, France).
- * *Bourdieria faviat*. New genus and new species described by P. LOZOUET (2004, *Zoological Journal of the Linnean Society*, 140 (4): 447-467) from the Upper Oligocene of Peyrehorade (Landes, France).
- * *Pisulinella? aucoini*. Described by P. LOZOUET (2004, *Zoological Journal of the Linnean Society*, 140 (4): 447-467) from the Lower Miocene of Meilhan (Landes, France).

OREOHELICIDAE

- * *Oreohelix loisae*. Described by M.A. PORTS (2004, *Western North American Naturalist*, 64 (2): 145-154) from the Goshute Mountains, Elko County, Nevada (U.S.A.).

Elimia darwini - E.L. MIHALCIK & F.G. THOMPSON, 2003, *Walkerana*, 13: fig. 60.

PLEUROCERIDAE

- * *Elimia annae*, *E. buffyae*, *E. darwini*,

- E. exusta*, *E. glareae*, *E. timida exul* and *E. timida nymphaea*. Described by E.L. MIHALCIK & F.G. THOMPSON (2003, *Walkerana*, 13 (29/30): 1-108) from Alabama/Georgia/Florida (U.S.A.).

PUPILLIDAE

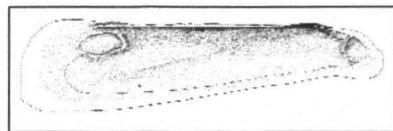

- * *Anauchen huaykhakang*, *A. utaithaniensis* and *A. anghongense*. Described by S. PANHA (2002, *Walkerana*, 11 (26): 239-248) from Thailand.
- * *Aulacospira smaesarnensis* and *A. lam-pangensis*. Described by S. PANHA & J.B. BURCH (2002, *Walkerana*, 12 (28): 65-76) from Thailand.
- * *Parabosydia muaklekensis*, *P. nab-hitabhatai*, *P. tarutao*, *P. pangmapaensis* and *P. phupaman*. Described by S. PANHA & J.B. BURCH (2002, *Walkerana*, 12 (28): 77-94) from Thailand.
- * *Parabosydia wangviangensis*. Described by S. PANHA & P. TONGKARD (2003, *Walkerana*, 13 (29/30): 123-128) from Tam Chang Cave, Wangvian, Laos.
- * *Anauchen chatnareeae*, *Gyliotrachela khaochakan*, *G. saraburiensis*, *G. kohrin*, *G. diarmaidi*, *G. surakitti*, *Hypselostoma erawan*, *H. taehwani* and *H. panhae*. Described by J.B. BURCH, S. PANHA & P. TONGKARD (2003, *Walkerana*, 13 (29/30): 129-187) from Thailand.

STREPTAXIDAE

- * *Sinoennea maolanensis*. Described by T.-C. LUO, W.-C. ZHOU & D.-N. CHEN (2004, *Acta Zootaxonomica Sinica*, 29 (1): 77-79) from Maolan Twon, Libo County (Guizhou Province, China).
- * *Ptychotrema gelegelei*. Described by C.O. OKE & F.I. ALOHAN (2004, *African Zoology*, 39 (1): 157-158) from the Gelegele Forest Reserve, Edo State (Nigeria).

UNIONIDAE

- * *Solenaia khwaenoiensis*. Described by PANHA & DEEIN (2003, *The Natural History Journal of Chulalongkorn University*, 3 (2): 53-58) from the Khwae Noi River, Phitsanulok (Thailand).

Solenaia khwaenoiensis - G. DEEIN et al., 2003, *The Natural History Journal of Chulalongkorn University*, 3: fig. 3A
