

WEEKDIEREN OP POSTZEGELS
MOLLUSCS ON STAMPS

W. Faber & T. M. Walker

In deze rubriek beperken we ons tot de zegels waarop weekdieren of schelpen het hoofdmotief vormen. Schelpsymbolen, schelpen op wapenschilden, als haardecoratie, schelpen die te gestyleerd zijn om herkend te worden en dergelijke, worden niet opgenomen.

In this column we will confine ourselves to the stamps on which the molluscs or shells form the principal motif. Shell symbols, shells forming part of a coat of arms, shells as hair decoration, those too styled to be identified and so on, will not be mentioned.
