

Joint memberships

For several years Dutch members of the NMV have been able to join the membership of the Società Italiana di Malacologia (SIM) and vice versa. Italians pay for the NMV membership directly to the Treasurer of SIM. They get an additional reduction of € 2.00 next to the € 5.00 granted for early payments. The Dutch pay € 38.00 for SIM directly to the Penningmeester of the NMV and also get a discount at the NMV of € 2.00.

Members of SIM receive the journals "Notiziario S.I.M." (comparable to Spirula, in Italian, 3x per year) and "Bollettino Malacologico" (comparable to Basteria, in English, 3x per year). Moreover there is a special welcome offer to new members of SIM: complete Volumes 1997- 2003 of Bollettino Malacologico, including the supplement (only 2001, 2002 and 2003), for € 18.00 per Volume only (normal price € 30.00).

N.B. The issues Vol. 39 nos. 9-12 and Vol. 40 nos. 1-4 are out of print but it is possible to obtain laser photocopies.

Since 2007, a combined membership of NMV and Club Conchylia (CC) is also made possible. Both memberships offer a discount of € 2.00. The Germans pay their dues for the NMV as mentioned above. The Dutch pay their dues for CC (i.e. € 38.00, students € 23.00) preferably in cash to Klaus Groh when visiting one of the bourses (Antwerp, Eindhoven or Paris), or to the account of the Raiffeissenbank Hengersberg-Schöllnach eG, account number 893 8199, IBAN DE 1674 1616 08 00 0893 8199.

Members of CC will receive Club Conchylia Informationen und CC Mitteilungen.
